- Sept 20 – 22
- Oct 04 – 06
- Oct 18 – 20
- Nov 01 – 03
- Nov 15 – 17
- Nov 29 – Dec 01
- Dec 13 – 15

### DURATION:

**3 Days**  
(0830H – 1600H)

**COURSE CONTRIBUTION:**  
USD 431.00

*Inclusive of course materials/handout*

This course is designed for all deck and engine officers. It is a bi-module training program that provides a complete overview of the Loss Control Management in the Maritime Industry. It covers both proactive risk management approaches and reactive accident investigation techniques required for continuous improvement within an organization

### COURSE AIMS & OBJECTIVES:

Module 1: Through systematic risk assessment techniques, the participants will uncover and identify significant hazards and learn to take cost effective measures to threat and minimize their risks proactively before any losses occur.

Module 2: Learn and apply bring back actual tools such as Marine Systematic Causes Analysis Techniques (M-SCAT), a technique commonly used throughout the industry for accident investigation.

Realistic industry case examples and hand-on workshops are used throughout the program.

### COVERAGE / PROGRAM FOCUS:

#### Module 1: Maritime Risk Management (Day 1 & 2)

- What is risk and why risk management?
- 5 step systematic approach to identify critical and significant risks in your organization.
- How to minimize risk by implementing only cost effective risk reducing measures in your organization.

#### Module 2: Incident Investigation Techniques (Day 3)

- Basics of incident and accident investigation.
- How to initiate an investigation and gather evidence.
- How to identify causes for undesirable events.
- How to avoid future incidents by developing appropriate recommendations to address root causes.

**METHOD:** Combination lecture and interactive class discussion reinforced with case study/workshop.

**ENTRY REQUIREMENT / TARGET GROUP:** Entry to this course is open to all Deck and Engine officers

**COURSE CERTIFICATE:** A Certificate of Completion is given to each participant who satisfactorily fulfills the Course.

**Register**
